

TemplateView

```
classDiagram
    class TemplateView {
    }
    class GroundSegment_views_Simple_PlotView_GetChartData {
    }
    TemplateView <|-- GroundSegment_views_Simple_PlotView_GetChartData
```

The diagram shows a class hierarchy. At the top is a class box for 'TemplateView' with three empty compartments. Below it is a class box for 'GroundSegment.views.Simple PlotView.GetChartData' with three compartments. The first compartment of the bottom box contains the text 'GroundSegment.views.Simple PlotView.GetChartData'. The second compartment is empty. The third compartment contains '+ get()'. A blue arrow with an open triangle head points from the top of the bottom box to the bottom of the top box, indicating inheritance.

GroundSegment.views.Simple
PlotView.GetChartData

+ get()
